- Driver's Licence
- English B2 level

About me

During my professional carrier as a salesperson and customer service representative, I've gained extensive experience working with people with different backgrounds and beliefs. I have 15+ years of practice in the music industry as a band member, so being a part of a team is my default behavior.

I am committed to learn constantly and make well-rounded solutions for clients as a software developer. For me, every step in the developing process is a chance to write better code.

Zoltán Horváth

Full Stack Web Developer

Professional Experience

Full Stack Web Developer (2021. Jun. - Present)

Proxybit, Szeged, Hungary

Designed and developed efficient and maintainable software according to business objectives and the needs of various clients. Used HTML, CSS, JavaScript, MySQL, PHP, Laravel, Docker, Git and Vue.js to develop app-solutions. Contributed ideas and suggestions in team meetings and delivered updates on deadlines, designs, and enhancements.

Web Developer Intern (2021. Feb. - 2021. Jun.)

Proxybit, Szeged, Hungary

Developed, coded, modified, and debugged application programs of varying degrees of complexity with independence. Wrote production-ready code with fluency in modern front-end and back-end frameworks. Worked with senior developers to implement software using HTML, CSS, JavaScript, and PHP.

Sales Representative (2019. Dec. - 2020. Dec.)

Magyar Telekom, Szeged, Hungary

Cultivated customer loyalty, promoted repeat customers, and improved sales. Collected customer feedback and made process changes to exceed customer satisfaction goals.

Sales Representative (2015. Sep. - 2019. Nov.)

Best-Speed, Hódmezővásárhely, Hungary

Reached out to customers after completed sales to evaluate satisfaction and determine immediate service requirements. Became one of the top-rated salespersons of the firm.
